

**What have I worked on?**

- We have been working on the first two base questions: "End to End travel times of different routes & their disparity"
- We have calculated the end to end travel times.

**What will I be working on next?**

- Given that we have obtained the data for the end to end travel times, we need to further analyze the given data to draw conclusions on the disparity

**Have I run into any issues? Do I need help?**

- Currently working fine.

**Team Lead: Have I talked to the client recently? When are we meeting with them next?**

- Not required at this moment
