

What have I worked on?

---Getting ready for the deliverable 3. Doing more parts on completing our extension project.

What will I be working on next?

--- Combine more data on our current analysis. Trying to analyze results in a practical way.

Have I run into any issues? Do I need help?

---None.

Team Lead: Have I talked to the client recently? When are we meeting with them next?

--- Yes, they told us that we could incorporate some models to predict lateness based on weather
