

**What have I worked on?**

- The first two base questions on end to end travel times and disparities in service levels have been answered.

**What will I be working on next?**

- Working on EDA and visualizations for deliverable 1.

**Have I run into any issues? Do I need help?**

- No blockers on our side right now

**Team Lead: Have I talked to the client recently? When are we meeting with them next?**

- Not required at this moment
