

Weekly Scrum Report Questions:

Team member: Isaac Chan

What have I worked on?

- Performed and compiled research to answer one of the base questions.

What will I be working on next?

- Help out with other people's parts in doing research and ideally compile the findings to a consolidated document

Have I run into any issues? Do I need help?

- Not yet as of now.

Team Lead: Have I talked to the client recently? When are we meeting with them next?

- N/A

Team member: Tiansui Gu

What have I worked on?

View the data for the base project and have a preliminary understanding of it

What will I be working on next?

Load the dataset into DB analysis software (transforming csv to DB for further analysis)

Have I run into any issues?

Not yet

Team Lead Question: N/A

Team member: Fanchu (Jasmine) Zhou

1. What have I worked on?

Finished the background reading attached in the project description.

2. What will I be working on next?

Started cleaning the data for Question: Are there disparities in the service levels of different routes? (which lines are late more often than others)

- Specify the different routes
- Find the punctuality for each line

3. Have I run into any issues? Do I need help?

a. Not yet.

4. Team Lead: Have I talked to the client recently? When are we meeting with them next?

Team member: Salma Alali

- What have I worked on?
 - Taken a look at datasets and organizing Trello Board.
- What will I be working on next?
 - Preprocessing of data to make queries more efficient/convenient
 - Focusing data on addressing my question: "If there are service level disparities, are there differences in the characteristics of the people most impacted?"
 - Comparing service level
 - Categorization of people impacted
- Have I run into any issues? Do I need help?
 - No issues here.
- Team Lead: Have I talked to the client recently? When are we meeting with them next?
 - NA

Team Lead: Alhasan Bahaidarah

- What have I worked on?
 - Went to talk to Tessa and Vedika about what we are expected to do and communicated that with the rest of the team
 - Looked at the dataset and told the rest of the team which to datasets we are working on
- What will I be working on next?
 - Take a better look at the data and answering the base questions for the project
- Have I run into any issues? Do I need help?
 - Ran into a bit of a time crunch will manage my time better in the future
- Team Lead: Have I talked to the client recently? When are we meeting with them next?
 - Not yet, unclear when we are going to meet them next
