What have I worked on?

- Worked on checkpoint A.
- Trying to merge and correlate the MBTA data with census data.

What will I be working on next?

- Incorporate the census data and work on addressing the remaining base questions.

Have I run into any issues? Do I need help?

- No blockers on our side right now

Team Lead: Have I talked to the client recently? When are we meeting with them next?

- Not required at this moment
